

Directions to the Eastern Laboratory, Department of Forensic Science

Coming from Richmond on I-64: Come through the Hampton Roads Bridge Tunnel. At the intersection of I-64 and I-264, take I-264 to Norfolk. Follow the signs for Waterside Drive. As you go down Waterside Drive, the Sheraton and Waterside will be on your left.

To get to the lab, proceed on down Waterside Drive. It becomes Boush St. Stay left on Boush St. to the intersection with Brambleton Ave. Turn left onto Brambleton Avenue. Stay in the **left-hand** lane and at the second light (Colley Avenue) turn left onto Colley. Go one block and turn right onto Southampton Avenue. Turn right into the entrance to the Norfolk Public Health Building lot (not the gated entrance, the next entrance). Go past the Health Department's main entrance and make two left turns. This puts you on the west side of the building where our entrance is located. Parking is on your left and at the end of the building.

Eastern Laboratory
Department of Forensic Science
830 Southampton Avenue, Suite 400
Norfolk, VA 23510-1028
